## Spring Topic: Transport

This term we are learning all about different modes of transport. We will learn about different transport, how it has changed throughout the years, different parts of a vehicle etc... We will also be focusing on Money in Mathematics this term and are starting a weekly session of "Happy Café". This is to set up a café in class during snack time where the children have to find the correct change for their snack. We can then use this skill in shops too!

*We are asking for donations of £1 per week for cookery ingredients, sensory materials and other classroom resources. If you have any questions or want to get in touch about anything, please don't hesitate to contact the team either via the school number (0161 359 5322) or through my email on [r.taylorims@ashgate.manchester.sch.uk](mailto:r.taylorims@ashgate.manchester.sch.uk).*
