

## Welcome to Ducks Class!

Ducks class has had an amazing first week in school, all the children have started to form positive relationships with the staff members and they have had lots of fun through art activities, cooking and exploring the different toys within our classroom.

We are excited to work with your child and alongside you this year to work on developing their skills.

Next week, I will send out a newsletter and put on our class page with information about what our focus is this term and our planned timetable.

Below is some key information for next week:

- Please can you ensure you label your child's clothes and shoes. If you do not have a pen and are happy for us to do this, please let us know.
- If you could send in waterproofs and wellies (if not in school already), this is to ensure we can still access outside play and forest sessions even in the rain.
- Please ensure your child has spare clothes in school in case of accidents or when they have fun in our water play/ sensory play sessions. (If not in school already)
- If you have a water bottle for your child, please could you send it into school and let us know if your happy for us to keep it in school for the year.
