

# Sunbirds Summer Term News Letter

Our topic this term is 'Summer time and Holidays'.

Our story book will be 'The Train Ride' by June Crebbin. In this story a little girl and her mum go off on a train journey to the seaside to stay with Grandma and their journey takes them through the countryside out to a coastal town. They see lots of different views through their window including a dark tunnel.

Our Summer song will be from the Singing Walrus collection on YouTube and it is called 'Summer Song for kids'.

New sessions on our timetable for this term are as follows.

On a Tuesday afternoon the children will be having a sensory music session from Beth who does the most creative and fun music sessions.

On a Thursday morning it is the Sunbirds turn for the Shadow Dance sessions which are always brilliant and the children get so much from these.

Cookery continues on a Monday and we hope to continue our regular weekly trip to the park.
